Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>In-network</u> : Employee only: \$1,650 Family: \$3,300 Individual <u>Out-of-network</u> : Employee only: \$1,650 Family: \$3,300;	Generally, you pay all costs up to the <u>deductible</u> , except <u>preventive services</u> and certain <u>copayments</u> . Individuals within the family must meet their own individual <u>deductible</u> until the total expenses paid by all family members meets the overall family <u>deductible</u> . <u>In-network</u> and <u>Out-of-Network Deductibles</u> accumulate separately. Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>In-network Preventive care</u> services are covered before you meet your <u>deductible</u> .	Some items and services covered if the <u>deductible</u> has not been met; however, a <u>copayment</u> or <u>coinsurance</u> may apply. Example: <u>preventive services</u> and medications on the preventive drug list. For more additional limitations, refer to the CDHP Master <u>Plan</u> Document (MPD). For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	No.	The <u>Plan</u> does not include separate <u>deductibles</u> for specific services. Separate <u>deductibles</u> apply to <u>network providers</u> and <u>out-of-network providers</u> . You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	<u>Network providers</u> : Employee only: \$4,000; Family \$8,000, individual within Family: \$6,850. <u>Out-of-network</u> : Employee only: \$10,600; Family \$21,200	The <u>in-network Out-of-pocket limit</u> is the most an Individual or a Family must pay in a <u>Plan</u> Year for Eligible Medical Expenses.  The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they must meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

For more information about limitations and exceptions, see the Consumer Driven Health Plan Master Plan Document at <https://pebp.nv.gov>.

<p><b>What is not included in the <u>out-of-pocket limit</u>?</b></p>	<p>Penalties, <u>premiums</u>, balance-billing charges, <u>excluded services</u>, <u>prescription drug copay</u> assistance, non-covered services, and health care this <u>plan</u> doesn't cover.</p>	<p>Penalties you pay for failure to obtain required <u>preauthorization</u>, <u>premiums</u>, non-use of 30-day Express Advantage <u>Network</u>, non-compliance with 90-day retail/mail order, manufacturer-funded <u>copay</u> assistance, non-use of SaveOnSP (for non-essential <u>specialty drugs</u>), penalties of balance-billing, and non-covered supplies and services. Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<p><b>Will you pay less if you use a <u>network provider</u>?</b></p>	<p>Yes. See <a href="http://www.pebp.nv.gov">www.pebp.nv.gov</a> or call 1-888-763-8232 for a list of participating <u>providers</u>.</p>	<p>You will pay less if you use a <u>network provider</u>. You will pay more if you use an out-of-<u>network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>).</p> <p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>).</p> <p>Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work).
