**Include** in your AEGIS employee count all employees, even those in their initial hire period (first month).  
 In your employee count, **exclude** vacant positions, temporary or part time positions not eligible for health benefits and those participants who have declined coverage.

To calculate your REGI assessment - include salaries, sick leave, annual leave and other leave paid out (GL Codes 51xx and 56xx).  
 Actual payroll does not include terminal leave (annual or sick) payouts.

**Include a copy of the monthly payroll records/reports with your REGI Assessment Payment. This documentation is REQUIRED!**
