

Offered at NO ADDITIONAL COST as part of your benefits

Feel confident about your heart health with a second opinion

Dealing with heart conditions can be challenging. You deserve to feel confident in your diagnosis and get a treatment plan that's tailored to you.

Whether you're facing a new heart-related diagnosis or have questions about your treatment, 2nd.MD expert specialists are here to help. Get a second opinion at **NO ADDITIONAL COST.**

How it works

- **Activate your account and request a consult**
Call **1.866.841.2575**
Visit **2nd.MD/activate**

- **Speak with a nurse**
Discuss your diagnosis with an experienced 2nd.MD cardiac nurse. We'll collect your relevant medical records, including imaging and labs.
- **Consult with a leading specialist**
Connect to a top cardiologist by video to discuss your treatment options from the comfort of home. Consultations are available when it's convenient for you, including nights and weekends!

Our specialists can help with a wide variety of heart conditions, including:

- High blood pressure
- Coronary artery disease
- Congestive heart
- Arrhythmia
- Valve disorders
- And more

Considering open-heart surgery?

Our specialists can help:

- Confirm if surgery is needed and explore methods like open laparoscopic, robotic, and more
- Answer your questions so you fully understand your cardiac condition
- Review your treatment plan and discuss whether further testing is right for your specific situation
- Address other conditions that may be causing your cardiac symptoms

CALL 911 IMMEDIATELY IF YOU ARE HAVING A MEDICAL EMERGENCY.
2nd.MD is not an emergency service. 2nd.MD is an independent resource to support you in receiving information from Expert Medical Specialists. 2nd.MD does not practice medicine or provide patient care and is independent from the Specialists providing the expert medical consultations.
