Dear PEBP Member,

Plan year 2023 open enrollment will be held **May 16th - May 31st** for the Public Employees' Benefits Program (PEBP). PEBP will host open enrollment (OE) meetings via live webinar on **May 4th and May 5th, 2022** for Medicare Exchange retirees. Retirees and their eligible spouses enrolled in a **medical plan** through Via Benefits have the option to **newly enroll in PEBP dental or decline your current PEBP dental coverage**. To make changes, log on to your E-PEBP Portal at www.pebp.state.nv.us. If you do not wish to make any changes, no action is required. You will need to login to you E-PEBP portal after May 2, 2022 to verify your beneficiaries are up to date.

Retirees and eligible spouses must be enrolled in a **medical plan** through Via Benefits in order to participate in PEBP dental. TRICARE for Life retirees do not need to enroll in a plan through Via Benefits. Retirees are required to maintain medical coverage through Via Benefits in order to continue PEBP benefits.

How to determine your HRA contribution

- Retirees who retired before January 1, 1994, receive the 15-year base contribution monthly.
- For participants who retired ON OR AFTER January 1, 1994, the monthly contribution is based on years of service. See table to the left.
- Participants who were hired after 2012 do not have a subsidy. Hired 2010-2012 you must have a minimum of 15 years to receive a subsidy or retire under a long-term disability plan.
- Spouse/domestic partners do not receive a contribution.

Health Reimbursement Arrangement

For HRA reimbursement, plan provisions dictate there is a 365-day period to file claims from the date the services were incurred. No plan benefits will be paid for any claim submitted after this period.

Important Information Regarding your Benefits

To maintain PEBP Benefits (such as HRA funding, life insurance, dental, and voluntary benefits) retirees and covered dependents, spouses, or domestic partners **MUST** continue to pay their Part B premiums and **stay enrolled** in a medical plan through Via Benefits.

Open Enrollment Meetings

PEBP will be hosting a live webinar tailored specifically to Medicare retirees on May 4th and 5th. The dental plan design is not changing, and the dental rates are on the previous page. During these webinars, you will be able to follow along with the presentation as well as ask a PEBP representative any questions you may have. You must register for the meeting by visiting the Calendar of Events page on PEBP's website at [pebp.state.nv.us](#). **Spouse and Domestic Partners must be enrolled in a plan through Via Benefits with the member to enroll in PEBP dental.**

Sincerely,

Public Employees' Benefits Program
